ASCOT PARK TRACK.

A new track is always a matter of decided interest to turfmen and the following statement concerning the Los Angeles track and equipments will attract attention, it being a statement put forth by the officials of the new jockey club.

The officers and directors of the Los Angeles Jockey Club are as follows: President, Epes Randolph, Vice-President and General Manager of the Pacific Electric Railway Co.;

Vice-President, John J. Fay, Jr., a retired capitalist; Treasurer, J. A. Muir, the General Manager of the Los Angeles Railway Co.; Manager, J. W. Brooks, a horseman well known to the racing fraternity all over the country; other directors being: Wm. G. Kerckhoff, of the Kerckhoff-Cuzner Lumber Co.; J. M. Hale, one of our largest Dry Goods Merchants, and W. E. Dunn, Attorney for the Street Railway System and other large corporations. The stockholders are all wealthy and prominent citizens of Southern California, and intend that Ascot Park shall become the highest-class winter racing resort in America.

The racing officials of the club will be Richard Dwyer and Jake Holtman, as alternating Starters; Mr. Ed. Cole, sporting editor of the New York Evening Telegram, associate judge; Mr. Edward Jasper, Secretary of the Worth Jockey Club, of Chicago, the Racing Secretary and Handicapper, and the Presiding Judge will be one of two well known Racing Judges from the Middle West, either of whom will be most acceptable to all horsemen.

This racing plant will be ready to receive horses by Nov. 5, and will be completed by Dec. 1. It is situated about three miles from the center of the city of Los Angeles, just outside of the city limits and jurisdiction, and will be the most complete racing plant in the United States, with the exception of the great racecourses in the vicinity of New York City. The architect and contractor is Mr. A. M. Allen, the most successful race-track builder in this country—the man who built Hawthorne, Ingleside, Oakland, Tanforan and many other fine courses, each an improvement over the other. The track is a regulation one-mile track, eighty-five feet wide, with the turns thrown up to an elevation of five feet on the outside. Inside of this course is a training track, fifty feet wide, and in the infield will be a beautiful steeplechase course. It is the intention of the club to make a feature of steeplechase and hurdle races, giving at least two each week.

The grandstand is built of steel and wood, and will seat four thousand people; with up-to-date restaurant upon the ground floor and all other modern improvements. The betting ring will accommodate more than thirty bookmakers without any discomfort, while the secretary's office, jockey room and saddling paddock will be far ahead of anything in this part of the country.

The stables, twenty-five in number, contain eight hundred stalls, and are situated directly opposite the grandstand in the midst of a magnificent English walnut grove. There is absolutely no choice of stalls, as at other courses, all comforts being provided for the horses, and late arrivals will find every accommodation. In connection with the stables, a number of private kitchens are being built to accommodate horsemen with large stables, and also a large building to be used as a restaurant and boarding house for stable help, which is constructed in fine style, with two separate dining rooms, one seating about seventy-five persons, and the other thirty, which is intended for owners and trainers who may wish to board at the track.

Surrounding the property are numerous fields of alfalfa at this time, where horsemen can secure green feed for their horses during the entire winter. For miles around there are good country roads of sandy loam, where nervous or fretful horses can be given plenty of exercise without ever being taken upon

ASCOT PARK TRACK.

(Continued from first page.)

the track. We have our own water plant—two artesian wells of as fine water as may be found in the world. Fire plugs and water hydrants upon both sides of each stable.

The transportation facilities will excel those of any racetrack in America, having six street railway lines from all parts of the city, running within a hundred and fifty feet of the main entrance to the grandstand. The track can be reached from any part of the city in eighteen to twenty minutes. The Pacific Electric Railway, said to be the best built and equipped suburban railway in America, will bring people from the numerous winter resorts near by, such as Pasadena, Long Beach, Riverside, Monrovia, Alhambra, Arcadia (Baldwin's Ranch) and Whittier. There will be special cars leaving these suburban resorts direct for the races each day.

The winter meeting will open Dec. 24 to continue for ninety days, during which time stakes and purses to the value of \$250,000 will be given. All owners, trainers and jockeys who have licenses from any other Jockey Clubs will be extended the courtesies of this track at any time they may be visiting Southern California. The buttons of the Metropolitan Turf Club will be recognized at all times. The betting ring will be open to all reputable bookmakers at the rate of twenty dollars per race, and should the number meet our expectations, we will make the rate one hundred per day for six races.

Horsemen shipping to this track by Wells-Fargo, and billed to Ascot Park, can be unloaded within six hundred feet of the stable yard. All arrangements will be made to transfer their equipments, etc., from the station into the grounds, free of charge. In conclusion, we wish to call the attention of horsemen to the fact that this is an ideal spot for wintering and training their horses, and to the many Derby winners which have been fitted and shipped from here to Chicago, only eighty hours away.

NOTES OF THE TURF.

H. L. L., Chicago. To win A should have backed the Hayes entry. He chose to back Lady Strathmore alone and as she was beaten his wager was a loser.

A. B., Chicago. As Lady Strathmore lost the wager was lost also.

J. A. McC. & Co., Galesburg, Ill. Hello was 7 to 10 place in the fourth race at Brighton Beach October 22.

J. C., Chicago. Wyeth has not won since winning the American Derby.

Tracy, San Francisco, Cal. There is no question in connection with your parlay. It was a winner on Cardwellton, Our Bessie and Deutschland and void as to Charley Thompson, he being "out" for place. Cardwellton was an entry in the second race alone and could not have been in the first, it having been a race for two-year-olds.

R. A. Smith, well known to racegoers as the trainer of Articulate, was in Chicago yesterday, having stopped off en route to California where he will race a string of horses this winter. In conversation he stated that most of his horses, which were raced in the east, had been sick the past summer but have now fully recovered. As regards Articulate, he was taken sick with the rest of the string and kept on getting worse, finally causing his destruction to end his suffering.

S. L'Hommiedieu left last night for Latonia, Ky., where he will remain until the opening of the San Francisco meeting.

Jockey Buchanan, who was suspended by Judge Hamilton for an alleged bad ride on Incubator, was in Chicago yesterday. The rider came here supposedly to sue for reinstatement at the hands of the stewards of the Western Jockey Club.

Several horsemen, including starter Dwyer, John F. Schorr, S. S. Bender, S. G. Morton, F. C. Moshier, C. Blalock, jockeys D. Hall and Ferrell, left last night for San Francisco.

NOTICE.

Winner—Ch. c, by Golden Dawn—Harmony II. (trained by T. E. Healy).
Went to post at 2:05. At post 2 minutes. Start good. Won easily; second the same. Revelle, away poorly, steadily improved his position and, finishing like a cyclone, came away from the tiring leaders as if they were anchored. Mordella was slightly crowded back in the early running, but quickly recovered the lost ground and followed the pace-maker closely into the straight, where she showed in front momentarily and held on gamely in the closing drive. Ancestor took the lead and held it by a good margin for nearly five furlongs, when she suddenly fell away and then came again right at the end. Atwood moved up fast when straightened out in the homestretch and, after getting on terms with the leaders, quit badly in the last sixteenth. Wizard unexpectedly raced into prominent contention in the first half and then failed to stay, but suffered from crowding. Reticent went well. Highwind tired after going a good six furlongs. Valour got away badly and had but scant chance in this big field.
Scratched—(42513)Emergency, 104; (42538)Champlain, 95.
Overweights—Wizard, 5 pounds; Southampton, 2; Valour, 1; Fort Plain, 2.

Winner—Ch. f, by Golden Garter—Amourette (trained by J. Hynes).
Went to post at 2:35. At post 3 minutes. Start good. Won easily; second driving. Girdler, improved in form, got away in her stride and was quickly passed by Neither One, which she indulged with the lead until straightened for the long stretch run, when she flashed to the front and gamely held her own to the finish and was evidently best at the weights. Early Eve held a forward position from the start and made good with a fast and game stretch run. Sabot is a superior filly and will beat good ones, was crowded for three furlongs and finished running faster than everything but the winner. Ascension came along right at the end with a good burst of speed, swerving, however, badly under the whip. Gaviota, away poorly, closed up a lot of ground. Ice Water got away badly. Troxler's lack of alertness was responsible for it. She mowed down one by one of the field rapidly in the first half, but turned for home on the inside behind the leaders and was anchored right there. Cottage Maid closed up very fast in the stretch.
Overweights—Sabot, 1 pound; Cottage Maid, 3; Charmel, 3.

Winner—Ch. c, by Hastings—Nineveh (trained by F. Regan).
Went to post at 3:00. At post 4 minutes. Start straggling. Won handily; second easily. Namtor broke flatfooted, moved up fast into a contending position in the early running and fell in behind Our Nugget to midway of the stretch, where he wore her down and won going away. Forward came through on the inside in the stretch run and finished a fast going second, running in remarkably improved form at the distance. Hackensack was well up throughout, ran a good race and is worth remembering. Blue Victor, away badly, closed a big gap. Paul Clifford could never get to the front and was reserved in behind the leaders with good results. Dramatist had a rough journey to the stretch and when with clear sailing finished fast. Sir Ship made up a lot of ground after getting away badly. Contend quit after going a fast five furlongs. Mary Worth got away very badly.

Winner—Ch. f, by Flying Dutchman—Hermitage (trained by W. Karrick).
Went to post at 3:30. At post 1 minute. Start good. Won driving; second easily. Sweet Alice, lucky at the start, trailed right in behind the tremendously fast pace and, closing up steadily in the stretch run, finally got on terms and outstayed the favorite at the end. Irene Lindsey, away none too well, was injudiciously sent after the non-staying Counterpoise, which had beaten the barrier and, although she put up a brilliant stretch run and appeared almost throughout the winner, she faltered in the last half-dozen strides. Futurita lost ground at the start and, content to wait on the leaders, made up a lot of ground in the last quarter and finished a close up third. Embarrassment was excessively urged to keep up with the leaders and tired badly in the last furlong. Counterpoise sustained his superior speed well today. Potente finished close up after showing sudden improvement.

 Winner—B. or br. f. by Ben Brush—La Colonia (trained by A. Shields).
 Went to post at 3:50. At post 3 minutes. Start good. Won easily; second driving. Lady Amelia displayed her best form and is as good as ever. Outclassing her field, she won all the way, was never extended and the result never in doubt. Mineola came from a long way back right at the end and had been frequently crowded and shut off by swerving horses, finished with a rush and is becoming very good. For Luck, after a game and fast effort to overtake the winner, was caught in the last stride for second place. Graceful came through on the inside and was gaining rapidly in the final drive. Toi San loomed up when beginning the last furlong, after which she tired badly. The others were all out-classed and cut no figure in the running.
 Scratched—42061 Beldame, 122; 42536 Cyuttica, 104; 42466 Belle of Belle Meade, 99; 42584 Trossachs, 99; 42587 Zeiller, 99; Evermore, 99.

 Winner—B. c. by Pontiac—Salutation (trained by F. Burlew).
 Went to post at 4:20. At post 1 minute. Start good. Won driving; second the same. Hello was up on even terms in the early running and gradually dropped back, trailing Lord Badge closely, however, and when straightened out for the stretch run went up again and, after a long and terrific struggle, finally shook off the old horse and again was forced to stand off Ilyria's challenge right at the end. He was best and is a high-class colt and a Derby prospect. Ilyria ran lapped on the winner throughout and repeatedly bumped him in the stretch, ran a surprisingly fast and game race and it was the best he has ever shown at the distance. Lord Badge was a good horse today, forced the pace throughout and only succumbed in the last fifty yards.
 Scratched—42586 Colonel Bill, 126; 42405 Lady Potentate, 109.
 Overweights—Lord Badge, 3 pounds; Ilyria, 1; Hello, 1.

 Winner—B. c. by Sir Modred—Baby (trained by S. Williams).
 Went to post at 3:32. At post 2 minutes. Start good. Won easily; second driving. Serge was reserved for the first mile, then came with a rush and won going away, although he swerved at the hurdle in the homestretch. Mr. Rose ran his race, was well ridden and had no mishaps. Tricotin tired in the last quarter and had to be hard ridden to stall off Eva Moe. The latter went very wide at the turn into the homestretch. Faraday Jr. ran out of the course after taking the second jump. Eva Moe seemed overweighted. Triso turned a complete somersault over the hurdle in the stretch.
 Scratched—42574 Percy R., 135.
 Overweights—Tricotin, 5 pounds; Sea Pirate, 1; Triso, 3¹.

 Winner—Br. f. by Loyalist—Satellite II. (trained by J. Fay).
 Went to post at 4:02. At post 6 minutes. Start good. Won easily; second driving. Morning Star made a show of her company, showed much the most speed throughout the entire trip and was at home in the going. Woodlawn Belle ran green and began slowly, but closed a big gap and outgamed Ruth Parrish in the stretch drive. The latter began slowly also, but ran a good race and is worth remembering. Magic Flute tired when the pinch came. Mai Lowery was tiring badly at the finish.
 Overweights—Woodlawn Belle, 2 pounds; Idle, 1¹; Alice Commoner, 2.
 Morning Star, show, 3 to 2. Woodlawn Belle, show, 3 to 2. Ruth Parrish, show, evens. Mai Lowery, show, 2 to 5.
